Hon'ble Shri Dattaji Meghe

Chancellor-DMIHER (DU)

Ex-Member of Parliament

(Lok Sabha / Rajya Sabha)

“Education is the most powerful weapon which you can use to change the world”

Shri. Dattaji Meghe, the Founder and Chancellor of Datta Meghe Institute of Higher Education & Research (Deemed to be University), has been active in public life for more than 40 years. He represented the people of Maharashtra in Lok Sabha for three consecutive terms and was also a member of Rajya Sabha. He strongly believed that quality Education and Health only can bring about true transformation in the country. The "son of the soil" made a humble beginning in the fond memory of his beloved mother and started a medical college under the then Shrimati Radhikabai Meghe memorial medical trust, 30 years ago. Since then because of his vision and committed efforts the Institution has grown leaps and bounds by adding new PROGRAMs and expanding its 'state of the art' infrastructure to the present monumental proportions.

Apart from the DMIHER(DU) under his leadership chain of CBSE schools, engineering colleges, banks, Spinning mills, IT firms were established under various sister concerns. The entire spectrum of KG to PG was completed under his leadership which has created new benchmarks of quality.
