About the Elective

Managing finances is core to all successful businesses and the demand for financially literate graduates has never been higher. The BBA in Finance Online Degree Program will support you in acquiring financial skills that will make you understand the monetary decisions of an organization.

Along with acquiring knowledge and skills in finance, you will learn core business skills, required to kick start your career. A strong financial acumen coupled with business and management awareness will make you stand out from the rest. A basket of courses providing essential knowledge about corporate finance and financial markets ensures a marked increase in employability prospects in a variety of roles in the financial domain including Banking and Financial Services. The project work component will allow you to put the theory you have learned during the program into practice.

Elective Highlights

- + Strong curriculum leveraging globally accepted finance certifications
- + Learning to understand advanced topics like Security Analysis, Financial Modeling and Analytics, etc.
- + Obtain strong methodological training with a blend of finance and management courses
- + Industry designed curriculum that delivers technical excellence and supplements professional skills
- + A host of skill enhancement and ability enhancement courses in addition to core courses
- + Analyze problems and propose actions in real-world situations as part of the project work

+ Eligibility

Pass in the (10+2) examination from State Board / CBSE / NIOS / IGCSE / IB / ICSE recognized by the State or Central Government. Candidates who are due to appear in the (10+2) examination are also eligible to apply.
