BACHELOR OF ARTS (HONS.) ECONOMICS

ABOUT CENTRE FOR DISTANCE AND ONLINE EDUCATION (CDOE)

Manav Rachna Centre for Distance and Online Education has been launched under Manav Rachna International Institute of Research and Studies (NAAC 'A++' Grade Accredited Institution) to provide quality education to those students who are not able to draw any benefits from conventional systems of Education. Nine programmes in different streams namely Computer Applications, Management, Commerce, Business Administration and Economics will be offered by University in online mode with specialization in different domain such as Healthcare, Business Analytics, Data Science, Banking and Finance, Artificial Intelligence, Cyber Security and many more. In today's opportunistic world, specialized education is essential for successful professional life. Manav Rachna Centre for Distance and Online Education has collaborated with prominent industry partners to provide global career opportunities to the students and acquaint the students with the increased technology intensive requirement of today's time.

BACHELOR OF ARTS (HONS.) ECONOMICS- ONLINE

MRIIRS is offering UGC approved Bachelor of Arts [Hons.] Online Degree Programme with Specialisation in Economics at Centre for Distance and Online Education.

"Bachelor of Arts [Hons.] in Economics" at "Manav Rachna Centre for Distance and Online Education" provides Multi-disciplinary approach for the students to shape their career inside & outside their domain of education and to meet the evolving needs of the society.

The commitment of Multi-disciplinary education is to broaden the participation of student in higher education, leading to a more diverse community.

In Multi-disciplinary approach, students are inspired to select diverged courses from different disciplines to expand their knowledge, discover themselves through creative thinking and learn the skills of collaboration. B.A. (Honors) Economics will offer insight into the complexities, dynamics and challenges of the contemporary economic phenomenon under an applied quantitative framework for decision-making on social and environmental welfare. It enables students with modelling the perspective of economic thought by aiding in disciplinary growth and policymaking.

This degree provides a laying stone for reputed jobs as data analyst, economic advisor, finance, investment and banking consultant/expert.

The online programme will help the students to achieve an academic degree along with flexibility and relaxation. This online programme holds equal academic value to an on-campus degree and help students in developing themselves into industry ready professionals as equivalent to a conventional degree. Students can perfectly reshape their career and future through impeccably designed online programmes. The renowned faculty, cutting-edge advanced curriculum, technology driven and a remarkable content delivery will be helpful in the successful implementation of online programmes.
