About MITSDE

MIT School of Distance Education (MITSDE) is an integral constituent of MAEER's MIT Pune, established in the year 2008. MAEER's MIT was founded in the year 1983 by Dr. Vishwanath D. Karad, (Founder, Executive President & Managing Trustee) along with the collective effort of many educationists and social thinkers. MIT is among the first in professional education offering academic programs at more than 72 institutions and 4 universities across India. Drawing on the rich history of excellence in education and innovation, MITSDE's offerings, curriculum design and delivery methodologies are unique and come together to offer the best-designed distance education programs that efficiently bridge the skills gap for working professionals.
