Who Are We?

Conceived in 2003, UPES (University of Petroleum and Energy Studies) is amongst the best-known universities in India and the first in Asia to offer domain-focused programs in International Business, Energy, HSE, Project Management, Logistics, IT, and others. We have undisputed leadership in these domain areas and are a preferred destination for recruiting talent for leading corporates.

UPES CCE (University of Petroleum and Energy Studies Centre for Continuing Education) offers management and engineering programs through distance executive education to working professionals and young graduates. We are proud to be known for our relentless pursuit of academic excellence and have an inspiring global community of world-class academics, influential alumni, and prestigious employers.

Our vision is to develop a talent pool of global professionals across industries that are highly sought-after by recruiters. All educational programs of UPES CCE have been curated with the objective of providing career enhancement and strong CV credentials, along with a quality learning experience.

About the Program

Our BBA program is the gateway to a plethora of job opportunities in numerous sectors such as Sales, Marketing, Education, Finance, Operations, and Public Sector.

This 3-year graduate degree program will help you learn core business processes, people management strategies and how to apply them in real-business settings. It will help you gain confidence to plunge into the corporate world.

In the first year, you will learn the foundation of management, business economics, business communication and accounting. In the second year, you will choose one of the specialisations from Marketing, Human Resource, Finance, and Operations.

Our BBA with specialisation in Marketing Management will help you gain a strong understanding of human and market behaviour to overcome any critical disconnect between the company and end consumer. Your lessons will include Marketing Analytics, Consumer Buying Behaviour, Brand Management, Integrated Marketing Communication, Social & Digital Marketing, Sales & Channel Management, Advertising and Sales Promotion.

In the final semester, you will be required to complete a mandatory Dissertation project, which provides first-hand experience in the business world to compliment the theoretical knowledge.

FAQs

Question- Are the online degree programs offered by UPES University approved by UGC?

Answer- Yes, this course has been strictly designed as per UGC guidelines. UGC has entitled UPES to offer online degrees. If you complete any of our online degree courses, you will receive the same degree as students who study on our campus.

Question- Do you offer any placement assistance?

Answer- We teach our learners the most updated curriculum and required skills to make them job-ready. The content is created by industry and academic experts, who painstakingly review the content at least twice a year.

The majority of our students are already employed. And those who are not get mentored by the academic team through multiple engagement activities. The employability-related queries asked by the students are individually addressed.

Question- What are the career options after the completion of this program?

Answer- BBA is a professional degree that is rising in popularity among students who want to make a career in management right after their 12th standard exams. Our BBA course aims to provide students with all the necessary knowledge and skills required to build a solid career in management. BBA course is designed to prepare students for employment positions. Employers may hire you as sales managers, finance managers, operation managers, human resource managers, or you may also use your skills to become an entrepreneur.

Question- Why should I choose your online program?

Answer- Learning at UPES not only makes you job-ready but also helps you in climbing your career ladder.
