Successful Career Transitions

About the Program

This program combines a thorough training in core business administration skills with an in-depth education in the understanding of strategic business issues across the entire hydrocarbon value chain, from exploration to the retailing of petroleum and petroleum products.

It extensively covers areas like pricing, exploration, and production, import of crude oil and LNG, acquisition of oil equity, refining and export of petro products, regulations, distribution of oil & gas, and petro research. The program is focused on creating strong concepts while inculcating hands-on practical learning experiences.

With Oil & Gas Industry surging ahead in India, domain specialists with management degrees will have a professional edge over others and will be in high demand in the industry.

Key Highlights of the Program

Interactive Live Sessions: Learn directly from industry experts and global faculty through engaging live sessions.

Dedicated Academic Advisor: Receive personalised guidance and support for your academic and career journey.

Facilitated Group Interactions: Participate in supervised discussion forums to collaborate and interact with peers.

Career Essential Programmes: Avail employability assistance and career-enhancing trainings in partnership with LinkedIn Learning, free of cost.

Robust Learning Management System: Learn from updated study materials, online library, and a user-friendly learning platform.

Real-World Application: Acquire practical skills through engaging projects and case studies for real-life impact.

FAQs

Question- Are the online degree programs offered by UPES University approved by UGC?

Answer- Yes, this course has been strictly designed as per UGC guidelines. UGC has entitled UPES to offer online degrees. If you complete any of our online degree courses, you will receive the same degree as students who study on our campus.

Question- Will this degree be valid/ recognized outside India?

Answer- Yes, UPES University is entitled by UGC to offer online degrees that are recognized in India as well as abroad. Our alumni have pursued further studies post-completion of their online education at UPES CCE.

Question- Do you offer any employability assistance?

Answer- We teach our learners the most updated curriculum and required skills to make them job-ready. The content is created by industry and academic experts, who painstakingly review the content at least twice a year.

The majority of our students are already employed. And those who are not get mentored by the academic team through multiple engagement activities. The employability-related queries asked by the students are individually addressed.

Question- Can I go for PhD after doing an online MBA from UPES?

Answer- Yes! You can very well do a PhD after successfully completing your MBA degree. PhD enhances your employability quotient and helps you with progress in your career.

FAQs

Question- Can I pursue an online MBA and PGP program together?

Answer- Yes, you can pursue a short-term PGP or Certification course along with your MBA degree program.

Question- Why should I choose your online program?

Answer- Learning at UPES not only makes you job-ready but also helps you in climbing your career ladder.
