LEARNING CONTENT

You will be provided access to our Learning Management System (LMS) to access e-learning content. These contents can be accessed anywhere and anytime.

TEACHING METHODOLOGY

Live Classes from Expert Faculties: Our faculty conducts live webinars on each paper, mainly on weekends, where students from India and abroad participate. The sessions cover key concepts, case studies, and real-life examples, and provide an opportunity for students to clarify their doubts. In case of missed classes, recorded sessions are available on the LMS.

Case Studies: The program includes quizzes, problem-solving, and case studies that demonstrate real-world implementation of project management concepts.

Discussion Forums: Faculty members engage students in dynamic discussions on current industry topics to stay up-to-date and explore potential opportunities.

STUDENT SUPPORT SERVICES

Dedicated Program Managers: Each learner would be associated with a program manager to share or seek any query and feedback through call or mail. All such queries will be responded within 24 hours.

24x7 Helpdesk : Just raise a ticket on any issue and get a real-time response (except on weekends). We encourage students to use this facility.
