ABOUT THE PROGRAM

Our comprehensive Post Graduate Programme in Logistics and Supply Chain Management provides a unique blend of business management fundamentals and practical supply chain skills to help you thrive in today's dynamic business environment.

During enrollment, you'll have the option to choose from two certification programs. Option 1 is a Post Graduate Program where you'll learn from top faculty at UPES Centre of Continuing Education and receive a certificate from UPES. Option 2 is a Post Graduate Program in collaboration with UPES and GISMA, one of the most reputable business schools in Germany, which has emerged as a popular global education choice for people looking for a career in Europe, UK and USA.

Both programs offer the same cutting-edge curriculum and program structure that will equip you with industry-specific skills and enable you to conduct in-depth research in the field of Logistics and Supply Chain Management on a global scale. By completing this course, you'll develop core competencies that give you a competitive edge as a highly effective professional in the Logistics and Supply Chain industry. Start your upskilling journey today and become an invaluable asset in the ever-evolving job market.

PROGRAM BENEFITS

01

UPES CCE has been empowering working professionals since 2007 with its online learning programs, designed to provide higher education and upskilling opportunities tailored to their needs.

02

Post completion of the program, work across domains of industries manufacturing, retail, ecommerce, service industry, shipping, aviation and consulting firms.

03

You can work across multiple domain functions like planning, project management, resource management, consulting, strategy & others.

04

Opportunity to work in India and Abroad; travel across the world.

01

E-learning content as PDFs for the complete program

02

Pre-recorded videos of expert faculties

03

Additional Learning Resources

04

Assignment for each paper

TEACHING METHODOLOGY

Live Classes from Expert Faculties: Our faculty conducts live webinars on each paper, mainly on weekends, where students from India and abroad participate. The sessions cover key concepts, case studies, and real-life examples, and provide an opportunity for students to clarify their doubts. In case of missed classes, recorded sessions are available on the LMS.

Case Studies: The program includes quizzes, problem-solving, and case studies that demonstrate real-world implementation of project management concepts.

Discussion Forums: Faculty members engage students in dynamic discussions on current industry topics to stay up-to-date and explore potential opportunities.

STUDENT SUPPORT SERVICES

Dedicated Program Managers: Each learner would be associated with a program manager to share or seek any query and feedback through call or mail. All such queries will be responded within 24 hours.

24x7 Helpdesk : Just raise a ticket on any issue and get a real-time response (except on weekends). We encourage students to use this facility.
